The page has a green header bar with the text "SIMPUS-Mini" on the left and navigation links "Beranda", "Daftar Buku", "Tambah Buku", "Daftar Anggota", and "Tambah Anggota" on the right. The main content area is a light gray box with the title "Tambah Anggota" in green. Below the title are four input fields labeled "Nama", "No. Anggota", "Alamat", and "No. HP". At the bottom left of the form is a green button labeled "Simpan". At the bottom center of the page, there is a small copyright notice: "© 2026 SIMPUS-Mini — Jobsheet 3 (Bootstrap)".

The screenshot shows the same "Tambah Anggota" form as the desktop version, but it is displayed in a responsive layout. The green header bar is at the top, with "SIMPUS-Mini" on the left and a hamburger menu icon on the right. The form is contained within a light gray box. The input fields for "Nama", "No. Anggota", "Alamat", and "No. HP" are stacked vertically. The green "Simpan" button is at the bottom left of the form. The overall layout is clean and modern, with a focus on the form fields.
